

## **FRANKFORT TOWNSHIP RESIDENTS**

**Our pantry is bare and we need YOUR help!!**

**The economic environment we're all seeing has created financial hardship for a record number of families in the Frankfort and Mokena areas, making it necessary for more residents to utilize the Township's Food Pantry. No one is immune. Due to that increase, reserves are at an all time low.**

**We are asking township citizens, local businesses, churches, schools, organizations, groups and clubs to rally behind our cause...  
Please consider**

### **SPONSORING A FOOD DRIVE OR MAKING A MONETARY DONATION**

**The donated proceeds will make it possible for the Township Food Pantry to continue providing a fundamental basic necessity to those in need. A list of needed items is available on the Township's website ([frankforttownship.com](http://frankforttownship.com)), at the Township Office or by calling 815)469-4907 x2761. Please feel free to drop off your donations at the Township Offices, located at 11000 Lincoln Highway, Frankfort, IL.**

**A special THANK YOU goes to all the groups, business, and private citizens that have donated to the pantry in the past.  
We couldn't keep this going without your support!**
