BOARD COMMENTS

Highway Commissioner Bill Carlson addressed the board with all the events after the two big storms in July and August. Frankfort Township was hit hard with tree damage and power outages. The highway department received help from local townships. There is still a lot of work to be done. Before the storms the Township was out of mulch but now, we have more than we can store. Commissioner Carlson answered all the questions from the board and the board thanked him and the department for all their hard work and dedication.

Supervisor Nick George announced that we now have a foundation in the Township Cemetery for the new columbarium. We are expecting the columbarium to be here in the next few weeks. We are working on a few units at Autumn Valley that are vacant, and we have a vacancy at the Landings that is being painted. The Food Pantry now has the permits needed for the construction.
