Parmesans Wood Stone Pizza

Catering also has taken off here at Parmesans because of the focus of the chef and crew. We have all the items you would find at any catered affair but also offer a full line of specialty entrees that will only be at "your party." Our skilled and smiling staff will deliver to your house, set up, and clean as they found it, giving the host a stress-free event.

All you have to do is visit once and Parmesans will become your new favorite pizza place and Italian restaurant. Our dining room is open seven days a week at 11am for lunch and dinner. We also have a full liquor bar where you can relax and enjoy one of our signature Long Island Iced Teas! So come down tonight, meet the family and enjoy a great meal.

No meal would be complete without our homemade desserts! We feature an extensive pastry selection with hand dipped chocolate truffles, carrot cake, cheese cake, our unique creations chocolate pizza and many others.

Helpful tips when planning

The small size tray serves 8-10 people

The medium serves from 18-20 people

The large serves from 28-30 people

The salads average around \$2.50 per person

The pastas average around \$3.00 per person

The entrees average approximately \$4.00 per person

As a planning guide, when ordering for a group of 20, 1 medium entree combined with 1 small salad and 1 or 2 small pastas should be plenty. Our fresh baked breads and pesto is a great way to round out the menu.

Another option when ordering for 18-20 people is to order 4 or 5 small size trays. This will give your guests more selection therefore you will need less of each item.
