POLICE REPORT - None
REPORTS:

Assessor – None.

Highway Commissioner – The Arbury Hills Road Project is set to begin shortly. Out of the Road Tax Fund we paid \$230,000.00 toward the Project. Total cost is \$610,000.00 and Will County is paying approximately \$400,000.00. The Commissioner explained that his department is only striping crosswalks in front of the schools where there are assigned crossing guards.

Trustees - Dave Smith inquired about how the space previously occupied by the 911 Call Center is being used. At this time there is no specified purpose for that room.

Collector - Collector Smith asked if property owned by the Township on Harlem Avenue was going to be used for a specific purpose. No decision has been made at this time but these are some of the possibilities that have been discussed:

Raised beds for growing fresh vegetables for the Food Pantry.

Planting trees to raise as replacements along the township roadways, instead of having to purchase from a nursery supply.

Another possible site for more senior housing.

Maybe sell Christmas Trees to raise money for the food pantry and other charitable projects.

Supervisor – There have been a couple more apartment turnovers. Maintenance is in the process of removing the carpets and replacing them with rubber backed tiles that resemble wood floors. In time all apartments will have the carpets replaced by tile floors. Currently there is a parking conflict at the easement for the township cemetery and Sanctuary Road. The new townhouse owners are parking their vehicles on the easement and blocking access to the cemetery. Jim Moustis will be calling Frankfort to discuss the situation.

Motion was made by Smith to adjourn the meeting and seconded by Griffin. Upon taking the vote, all members voted aye, nays, none. Motion carried. The meeting closed at 7:29 p.m.
